ABOUT ME - MOTIVES

I'm interested in coding and developing websites and web apps that challenge my skills further more. I'm looking to work in a team with a healthy and competitive atmosphere so I can expand my field of expertise while doing what I love.

Personal Traits / Soft Skills

I am ...

- capable of maintaining a friendly atmosphere while respecting teammates and colleagues
- am open to suggestions and criticism that helps me to improve myself and my profession
- eager to learning new skills and technologies each and every day
- a real competitor. I try my best to keep up with others ,but the main goal is to compete with my older versions

HOBBIES

Coding, Exercising Calisthenics, Reading Books, Listening to Music, Watching Movies

My Projects

- Horizon UI Admin Dashboard - a fully functional admin dashboard based on the horizon-ui design with all the features and tools you might possibly need
  https://horizon-ui-dashboard.vercel.app/

- Online Code Editor - an online code editor that supports HTML, CSS, and JavaScript with built-in console and live mode feature
  https://online-code-editor-two.vercel.app/

- All Things Colors - a web app that provides you with many different color-related tools to boost your productivity and speed
  https://all-things-colors.vercel.app/

- Cryptoify - a web app for you to keep track of your favorite crypto currencies
  https://cryptoify.vercel.app/

Make sure to check my personal website for more projects and info.

EDUCATION

Computer Engineering

KIAU - Karaj Islamic Azad University — *2021 - now*

I'm a student at KIAU also known as Karaj Islamic Azad University, studying to further expand my knowledge in tech-related fields
